Patronage

Ladies and Gentlemen!

The Department of Development Policy and Marketing of Warsaw University of Life Sciences is pleased to invite you to participate in the fifth edition of the conference devoted to contemporary marketing and marketing management – 5th International Conference on Marketing Management

Purpose of the Conference

The aim of the conference is to exchange knowledge and experiences related to the issues of contemporary marketing. We would like to pay special attention to the current trends in management and marketing, taking into account pandemic of COVID-19, new phenomena in consumer behavior, innovative communication, information and research technologies. We count on valuable discussions and integration of the academic community focused on the above-mentioned issues.

Thematic scope of the Conference

1. The impact of the Covid-19 pandemic on the market behavior of enterprises.
2. Changes in consumer behavior caused by the Covid-19 pandemic.
3. Trends of modern marketing - new phenomena, tools and research methods.
4. Communication and information technologies in marketing. Digital transformation - implications for marketing.
5. Contemporary global problems and their impact on changes in marketing and management.

Due to epidemic conditions, the 5th edition of the conference will be held remotely on the MS Teams platform.

Variants of participation

- Option 1 - on-line participation in the conference with the presentation and the publication of a chapter in a monograph, cost: PLN 800 zł (EUR 180).
