Challenges and Opportunities for Rural Development, 2023

The 3rd *International Conference Challenges and Opportunities for Rural Development (CORD 2023)* is organised by the Division of Regional and European Studies, Institute of Economics and Finance, WULS-SGGW and will be held on November 29, 2023.

The event will provide a forum for the exchange of knowledge, views and research findings in the field of rural development. The organisers invite papers, on-line presentations and posters rethinking established theories and research methods as well as those identifying new fields of enquiry, proposing new concepts and research methods, and shedding new light on the reasons for and consequences of social, economic and environmental changes in rural areas and rural-urban relations.

The **conference is free** to attend.

Language of the conference: **English**.
